Preschool Graduation

This May, we celebrated a truly joyful milestone—preschool graduation! Our talented little learners were beaming with pride as they dressed their best, ready to shine in front of family and friends.

One of the highlights? An incredible African Dance performance led by Lark Daniel of Dwennimmen African Dance—months of practice paid off in the most vibrant way! We were thrilled to have Ramona French, one of our own steering committee members, join in the celebration as part of the dance group.

With smiles, cheers, and maybe even a few happy tears, seven students proudly walked across the stage, excited for the adventure of Kindergarten ahead. The love and pride from their teacher Miss Rachael, and assistant teachers Miss Krystina and Miss Nafi, was absolutely contagious. These three pour their hearts into every day, helping our students grow, thrive, and take their next big steps.

We're so proud of our graduates—kindergarten, here they come!

We Have a New Van

We are so excited that we have a NEW, used van! It could not have been possible to make this purchase without the help of donations from Dauphin County Local Shares, Deimler Foundation and Kline Foundation. Additionally, we received a grant from 4 Imprint for the magnetic signs that are on the outside of our van for all to see we hold special cargo inside, our students! Now that the kids are higher up, they can enjoy watching the city sights of Harrisburg. Finally, we want to say a very special thanks to Rich Stokes (Mr. Rich) who provides transportation for 8 children and an occasional family member, Tuesday through Friday.
